Mun Y. Choi was named the 24th president in the history of the University of Missouri System in November 2016, and began in March 2017. As president, Dr. Choi serves as the chief executive and academic officer of the UM System, a land-grant institution that provides centralized administration for four universities, a health care system, and extension program, and ten research and technology parks. Dr. Choi oversees all academic, public, business, financial and related affairs of the UM System under the policies and general supervision of the University of Missouri Board of Curators. In March 2020, President Choi was also appointed interim chancellor of the University of Missouri-Columbia.

As a product of and passionate champion for public higher education, Dr. Choi advocates tirelessly on behalf of the four universities of the UM System with state and national business, political and civic leaders to achieve excellence. In partnership with the board and university leadership, Dr. Choi introduced a new collective vision for the UM System in September 2018: to advance the opportunities for success and well-being in Missouri, the nation and the world through transformative teaching, research, innovation, engagement and inclusion.

To fulfill this vision, Dr. Choi announced the Missouri Compacts for Achieving Excellence, a plan that includes $260 million in strategic investments. The Missouri Compacts are a promise to achieve excellence through student success; research and creative works; engagement and outreach; inclusive excellence; and planning, operations and stewardship to best serve our students and Missourians. The defining project of Dr. Choi's vision for the UM System is the Next Generation Precision Health Initiative, a statewide project to bring together and amplify the resources of the entire university system with the goal of creating personalized treatments for society's toughest diseases.

Dr. Choi's leadership has been instrumental in moving the University of Missouri System forward and strengthening the collaboration between the four universities in the system. Since he took office, the university has seen major changes, including the reversal of significant student enrollment declines at the flagship campus, administrative and budget transformations that support a more efficient and collaborative environment and the restoration of public funding through a dramatically improved relationship with the Missouri legislature. Most importantly, Dr. Choi is widely recognized to have regained the trust of the university community, alumni, legislators, and Missourians by changing the attitude of the entire state towards higher education.

Before serving as the UM System president, Dr. Choi's 25-year career in higher education included serving as assistant and associate professor at the University of Illinois at Chicago (1994-2000), department head of mechanical engineering and mechanics at Drexel University (2000-2008), then dean of engineering at the University of Connecticut (UConn) (2008-2012). Later, he took on the role of provost and executive vice president at UConn (2012-2017).

Dr. Choi is married with three children and resides in Columbia, Mo.

Since her appointment in 2021, Reed-Francois has begun to transform Mizzou Athletics in every way: from department culture to the student-athlete experience; from facility enhancements to fundraising; and from community engagement to the fan experience.

Among her early accomplishments is the construction of the Stephens Indoor Practice Facility for football, the hiring of Dennis Gates as the new Whitten Family Men's Basketball Head Coach and Caroline Westrup in women's golf, dozens of enhancements to the football game-day fan experience, the implementation of Black & Gold Fridays across the state, a retooling of the Tigers' NIL program and the creation of the 24-stop Come HOME Tour which covered more than 7,500 miles.

In 2021-22, success came on the field and in the classroom for the Tigers, with the wrestling team winning the Big 12 Championship and both gymnastics and wrestling earning Top 10 finishes in the NCAA Championships, with wrestler Keegan O'Toole winning the National Championship. Football played in the Armed Forces Bowl and later secured the best recruiting class in program history, men's golf earned its first NCAA Regional bid since 2018 and softball played host to an NCAA Regional for the second-straight season.

Academically, the Tigers posted a school-record department GPA of 3.22 in Fall 2021, along with a 3.20 in Spring 2022. Mizzou posted a combined NCAA Academic Progress Rate mark of 990 with football posting its best-ever score and four programs (women's basketball, women's cross country, women's golf and women's tennis) earning perfect scores of 1,000.

The Tiger Scholarship Fund raised over $41-million, the fourth-most productive year in TSF history and the highest production total in a year which did not contain a capital campaign.

Reed-Francois came to Mizzou after serving four years as the Director of Athletics at the University of Nevada Las Vegas. During her time with the Rebels, she completed or implemented more than $70 million in facility upgrades, hired seven head coaches – three who earned Conference Coach of the Year honors early in their tenures and oversaw the completion and opening of a $35-million on-campus football training complex and successfully negotiated a joint-use agreement with the NFL's Las Vegas Raiders and opened the new $2-billion Allegiant Stadium.

An adept fundraiser, Reed-Francois led a $60-million development drive at UNLV, including an $8-million estate gift, the largest estate gift in the school's history. Football season ticket sales and premium revenue jumped by 200% and 70%, respectively, and Reed-Francois introduced a new apparel agreement with Nike.

Prior to arriving at UNLV, Reed-Francois served as the deputy athletics director at Virginia Tech, overseeing external relations, the day-to-day operations of the department and football and as a senior associate athletics director at the University of Cincinnati. At the University of Tennessee, she became the first woman to oversee a men's basketball program in the SEC, which followed stints at California State University-Fresno, Santa Clara University, San Jose State University, the University of California Berkeley, and the University of San Francisco.

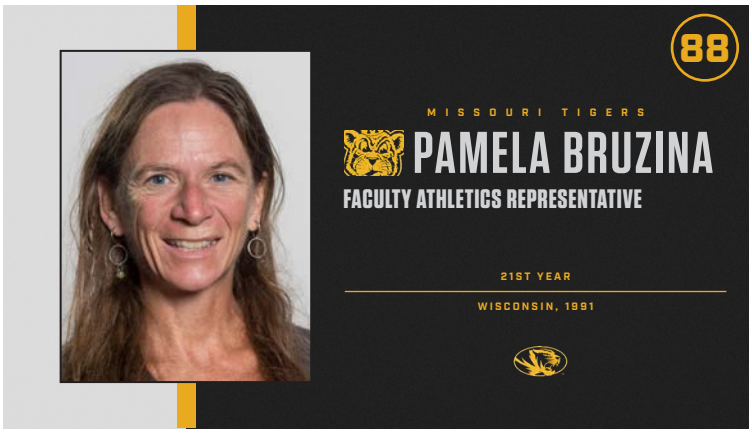
Reed-Francois earned a Bachelor's Degree from UCLA and a Juris Doctorate from the University of Arizona College of Law. She is a member of the State Bar of California and taught law classes at the University of Tennessee and at Santa Clara University. Prior to her work in college athletics, Reed-Francois worked as a legal associate for the Oakland Raiders and the NFL's Management Council.

She is the Lead1 Board of Directors Vice Chair and serves on the organization's executive committee, as well as sitting on the boards for Women Leaders in

College Sports, the National Association of Collegiate Directors of Athletics (NACDA) and the National Coalition of Minority Football Coaches. Reed-Francois recently served as vice chair of the NCAA Baseball Selection Committee and formerly was a member of the College Football Playoff Committee's operations committee. In addition, she is a member of NACDA, the LEAD1 Association, the National Association of Collegiate Marketing Administrators and has been a presenter at NACDA, NACMA, Women Leaders in College Sports, and Sports Business Journal's annual conventions. She has also participated in the Division I Athletics Directors Leadership Institute and Fellows Program and the Women Leaders in College Sports' Executive Institute.

A former rowing student-athlete at UCLA, Reed-Francois is the first female athletic director in Mizzou's history, the first female athletic director in a public institution in the SEC and was the first Hispanic female and woman of color athletics director at the Football Bowl Subdivision (FBS) level.

She and her husband, Josh Francois, are the parents of current men's basketball student-athlete Jackson Francois.



Dr. Pam (Hinton) Bruzina was appointed Faculty Athletics Representative by Interim Chancellor Hank Foley in May 2017.

Previously, Dr. Bruzina served as an executive member of the Intercollegiate Athletics Committee (IAC) and was the IAC Compliance Subcommittee Chair and the Student-Athlete Welfare Subcommittee Chair. Her dedication to the welfare of our student-athletes was evident during her time on the IAC.

Dr. Bruzina currently serves on the NCAA's. Committee on Competitive Safeguards and Medical Aspects of Sport (CSMAS), as well as the Administrative, Practice and Prevention, Drug Testing and Research CSMAS Subcommittees. In addition, she is the Division I FBS representative on the Faculty Athletics Representatives Association Executive Committee.

Pam was a student-athlete at the University of Wisconsin, which provides her with firsthand knowledge of the demands placed on student athletes. Pam was a track and cross-country student-athlete, going from walk-on to All-American. She earned a bachelor's degree, with distinction, in molecular biology; she then completed her PhD in Nutritional Sciences at Wisconsin and postdoctoral training in Maternal and Child Nutrition at Cornell University.

Dr. Bruzina joined the Department of Nutrition and Exercise Physiology at Mizzou in 2000. She is a Professor of Nutrition and Exercise Physiology, and her lab investigates the interactive effects of nutrition and physical activity on bone health.

- Co-Champion on beam at the 2022 regionals

Entering his eleventh season at the helm of the Mizzou gymnastics program, Head Coach Shannon Welker continues to make the Tigers a rising power nationally.

2023

Another record-breaking season for the Tigers led by Welker, ending with the highest regional score in program history with 197.600 and a 3rd place finish at the NCAA Regional Final. Mizzou's score of 49.450 also earned them the highest vault score in regional competition. The Tigers set a new program-high championships score, beating both Arkansas and Georgia at the SEC Championships, along with a 2nd place finish at the NCAA Regional Second Round. Under Welker's coaching, the Tigers secured the 14th rank nationally and a 10-3 record, including wins over five nationally-ranked opponents.

Five gymnasts earned All-SEC Honors for the second year in a row: Amari Celestine, Helen Hu, Jocelyn Moore, Alisa Sheremeta and Sienna Schreiber. Moore and Hu were also named Women's Collegiate Gymnastics Association (WCGA) Regular Season All-Americans for the season. Claiming first-team honors on vault, Moore posted this accolade for the second consecutive time and Hu claimed second-team honors on beam.

2022

In a remarkable 2022 season, Welker led the Tigers to a 5th place finish in NCAA National Championships in April — the best finish in program history. The Tigers ranked 11th nationally, defeating LSU and Iowa in the NCAA Regional Second Round. Missouri grabbed hold of a top-two finish, topping UCLA and Iowa State, at the Raleigh Regional to secure a spot at the NCAA Championships for only the second time ever. Under Welker's leadership, the Tigers also won on the road against Georgia for the first time.

Two gymnasts received Women's Collegiate Gymnastics Association (WGCA) Regular Season All-America honors — Jocelyn Moore and Sienna Schreiber. Moore claimed first team honors on vault, while Schreiber took second team honors on the beam and all-around. Welker received SEC Coach of the Year for his performance.

2021

Mizzou concluded the 2021 campaign ranked 14th nationally for the second year in a row, the first time since the 2009 and 2010 seasons the Tigers posted back-to-back top 14 finishes. Competing in a Southeastern Conference-only regular season, Welker led Missouri to wins over No. 15 Georgia and No. 19 Auburn, while also finishing ahead of No. 9 Arkansas at the 2021 SEC Championship. In the NCAA Tuscaloosa second round, the Tigers erupted with a 197.325, the third-highest score in program history, to advance to the NCAA Regional Final. It marked the first time Mizzou competed in a regional final in the revamped postseason format.

Individually, the Tigers had a WCGA Regular Season All-American for the second year in a row, as sophomore Sienna Schreiber nabbed second team accolades on beam. Schreiber and freshman Amaya Marshall also claimed All-SEC honors, with Schreiber earning a spot on the All-SEC Team and Marshall on the SEC All-Freshman Team.

2020

In 2020, Welker's Tigers vaulted up the rankings as the season progressed, reaching 14th in late March when the season was abruptly cut short prior to the regular season finale. Over the course of the season, Mizzou defeated No. 11 Minnesota and No. 19 Nebraska and twice posted team scores among the top 10 in program history. Additionally, Welker's vault squad notched two scores that ranked in the program's top 10 on the event.

The Tigers' National Qualifying Score (NQS) of 196.635 at the time the season ended was the third-best such score in program history and the team's highest since 2004. Freshman Helen Hu emerged as one of the nation's top gymnasts, claiming NACGC/W All-America first team (beam) and second team (bars) honors, as well as SEC Event Specialist of the Year accolades.

2019

The 2019 Tigers finished 17th in the national rankings, which tied the team's best finish since 2010. At the 2019 NCAA Athens Regional, Missouri tallied both the highest regional score (196.625) and the top regional beam total (49.200) in program history. Senior Brooke Kelly Senior Brooke Kelly became the 10th Tiger to earn an individual berth to the NCAA Championships after she qualified on beam.

Mizzou knocked off four top 25 teams during the 2019 season, including a win over No. 10 Kentucky and a tie with No. 7 Michigan.

The Tigers also recorded the second-highest beam score in program history (49.425), the sixth (49.425) and seventh (49.400) best floor scores and the ninth-best vault total (49.275) over the course of the campaign.

2018

Welker's fifth season at Mizzou saw the Tigers knock off three top 10 teams during the regular season. On March 2, Missouri defeated No. 5 Florida, 196-925-196.925, for the first victory over the Gators in program history. Mizzou also defeated Arkansas twice this year while the Razorbacks were ranked in the top 10. Overall, the Tigers went 9-7 in the regular season, including conference wins over No. 5 Florida and No. 10 Arkansas. The squad also concluded the year ranked 20th in the nation, the third-straight season Mizzou ended the year in the top 20.

2017

In his fourth year with Missouri, Welker's Tigers finished 17th in the national rankings and a third-place finish at the NCAA Gainesville Regional, only one spot shy of qualifying for the NCAA Championships. The 2017 season also saw Mizzou go 3-4 in Southeastern Conference dual meet action, with wins over No. 12 Arkansas, No. 12 Kentucky and No. 18 Auburn. The Tigers entered the season with just one SEC dual win in program history. Additionally, Missouri recorded the third and fourth-highest scores in program history in 2017, with a 197.200 against Auburn and a 197.150 one week later against Kentucky.

2016

During the 2016 season, Welker led Mizzou to its highest NCAA Regional (third) finish since 2010. Overall, the Tigers finished the year ranked 19th in the national rankings, the team's highest since 2010, and ahead of Southeastern Conference foes Arkansas and Kentucky. Missouri recorded three scores of at least 196.625 or higher during the year in 2016, only the second time Mizzou accomplished that in the 37 year history of the program.

Additionally, the Tigers defeated No. 9 Georgia 195.800-195.350 for the team's first top-10 win since 2012. Under Welker's tutelage, freshman Morgan Porter earned SEC Freshman of the Year honors and was the first Tiger gymnast to qualify for the NCAA Championships since 2012.

2015

Under Welker's direction, the Tigers were the nation's most improved program in 2015. Mizzou finished the season ranked 21st, a full 20-spot increase from the previous year and the biggest jump in the country. The 2015 Tigers also qualified for their first NCAA Regional since 2012, where they scored a 196.100, the second-best Regional score in program history. Additionally, Mizzou entered the top-25 for the first time since 2012 and scored at least 195 10 times in 13 meets. The Tigers also topped 196 twice during the season for the first time since 2012 as well.

2014

In his first year in Columbia in 2014, Welker quickly installed his Championship Culture to the squad. Over the season, the Tigers went 6-7 in the regular season and scored the sixth-best bars score (49.300) in program history against George Washington.

Welker brought a wealth of experience to Columbia after five years as an assistant coach at the University of Michigan and nine years as the head coach and program director at the St. Louis Gymnastic Center.

PRIOR TO MIZZOU

During his time at Michigan, Welker was primarily responsible for coaching the vault and floor squads in addition to serving as the recruiting coordinator. Welker guided his vault squads to three top ten finishes during his time at Michigan, and his 2012 vault team finished at No. 11 in the nation. Under his direction, the Michigan floor squads also finished among the nation's top-10 four times, while the team earned top-15 finishes in each of his seasons in Ann Arbor.

Welker coached five gymnasts to 12 All-American honors while at Michigan including the 2013 NCAA National Floor Champion, Joanna Sampson. He also produced three NCAA Regional Championship floor title winners and back-to-back NCAA Regional Champions on vault. Four of his gymnasts won event titles at the Big Ten Championships, and Welker assisted the Wolverines to three NCAA National Championships as well.

Before coaching at Michigan, Welker spent one year as an assistant coach at Bowling Green, where he coached two gymnasts to the NCAA Regional Championships for the first time in program history. Before working with the Falcons, Welker served as the head women's gymnastics coach and program director at the St. Louis Gymnastic Center for nine years.

ABOUT WELKER

A four-year competitor on the University of Illinois at Chicago men's gymnastics team, Welker served as a team captain for three years and earned NCAA All-American honors in 1996. He was also awarded UIC Athlete of the Year honors that season. Welker spent a year as an assistant men's gymnastics coach for UIC, and was also inducted into the University of Illinois at Chicago Athletics Hall of Fame in 2005.

Welker earned his undergraduate degree in kinesiology from the University of Illinois at Chicago in 1998, and also received his master's degree in sports management from Eastern Michigan University in 2012. Welker and his wife, Molly, have two sons, Ian and Brendan.

COACHING STAFF

Whitney Snowden joined the University of Missouri gymnastics staff in July 2022, who joins Mizzou following three seasons with Michigan State.

During her time with the Tigers, Snowden helped the Missouri gymnastics program break records in the 2023 season with her coaching. Against Arkansas, Mizzou set a new program-high score of a 197.850, pulling off the best team performance yet for the win against the Razorbacks. The vault lineup advanced for a new program record on the apparatus with a 49.450, along with punching a 49.550 on the beam rotation for another program high score. At the end of her first season with Mizzou, Snowden's leadership secured the Tigers the 14th seed nationally and a 10-3 record, including wins over five nationally-ranked opponents.

Over her three seasons at Michigan State, Snowden helped the Spartans to their first postseason berth since 2016. The Spartans also finished second in the 2022 Big Ten Championships, their best performance since 2006.

In 2022, Michigan State went on a record-breaking campaign. Snowden, who oversaw development on vault and floor, helped the Spartans to a new high of 49.4 on vault and 49.675 on floor. As a program Michigan State finished ninth in the country, the best finish in Spartan history. Snowden was named 2022 WCGA Region 4 Assistant Coach of the Year and a member of the 2022 WCGA Coaching Staff of the Year.

Prior to her time at Michigan State she had been an educational clinician and consultant. She previously worked with the Pan-American Gymnastics Union to establish and promote the sport of gymnastics in St. Vincent and Grenadines. In addition, she was worked as a vault clinician for USA Gymnastics, helping educate coaches and athletes on current vaulting techniques.

Lacey Rubin joined the University of Missouri gymnastics staff in May 2023, following a season with Arizona State.

During her short stint at Arizona State, Rubin helped the Gym Devils to NCAA regionals for the fifth-straight year. Rubin primarily coached the beam squad, which ended the season ranked No.19 in the nation, with a season-high of 49.475 set at regionals.

In 2023, Arizona State had a record-breaking campaign, finishing 15th in the country. The Gym Devils went on to upset then-No. 4 Utah, set a program-record road score in a win over Washington and deal then-No. 11 Oregon State its first loss of the season.

Prior to her time at Arizona State, she was a volunteer assistant coach at Penn State, where she helped lead individuals to regionals. Additionally, she has experience coaching at the club level at Centre Elite Gymnastics in Pennsylvania and New Image Gymnastics in New York.

As a student-athlete at Eastern Michigan, Rubin was named to the MAC All-Tournament Team twice. In 2017 and 2018, she was the MAC bar champion. She also helped the team to a MAC championship in 2016 and 2017. In the classroom, she was a distinguished scholar-athlete in 2017 and 2018. Following her time as a student-athlete, she was a volunteer assistant for Eastern Michigan for the 2019 season.

Jackie Terpak joined the Mizzou gymnastics staff as an assistant coach in June 2023.

As an assistant coach, Terpak will focus on choreography, assisting in coaching beam and floor, helping with recruiting and acting as a liaison for creative content.

Terpak came to Missouri from Arkansas, where she worked with the gymnastics team during the 2022-23 season as a volunteer assistant coach and choreographer.

Before her time in Fayetteville, Ark., she spent four years with the Temple gymnastics program. Starting as a gymnast, Terpak competed from 2018-2020, where she was a two-time Eastern College Athletic Conference Team Champion and made the All-Academic Team.

Following her time as a student-athlete, Terpak transitioned into a student coaching and choreographer role from 2020-22. Outside of the gym at Temple, Jackie served four years on the Student-Athlete Advisory Committee and was president in 2021-22. Additionally, she was a founding member of Owls for Justice, a group created to advocate for long-lasting reform for racial equality.

Terpak also worked with Temple Athletics as a creative video intern during the 2021-22 school year before graduating with a bachelor's degree in media studies and production with a minor in sports management in the spring of 2022.

"To recognize and honor those individuals who have made exceptional contributions to the achievements and prestige of the University of Missouri in the field of athletics, and who have continued to demonstrate in their lives, the values imparted by intercollegiate athletics."

The University of Missouri Intercollegiate Athletics Hall of Fame was made possible by the 1989 bequest of $100,000 from the estate of the late A.C. (Ace) and Mary Stotler. It is located in the lobby of the main entrance to Mizzou Arena, after being housed in the Hearnes Center until the fall of 2004. The first class was enshrined in 1990, in conjunction with Mizzou's observance of its 100th football season.

Induction into the Hall of Fame is the highest honor bestowed upon a Mizzou student-athlete, coach or administrator.

he general public is invited to submit nominations by filling out the online form at www.
